Keep Stockwell Beautiful and Cole Kids win SIA Award!

The Cole Kids Clean Up Stockwell program won a state award from Subaru of Indiana. The Environmental Stewardship Award was presented to Mike Pinto, principal of Cole, and Kris Ziller, Chair of KSB, at a ceremony in May. Along with a beautiful crystal trophy, a \$250 check was also awarded. The award money will be used for signs in the Outdoor Education Center at Cole.

The award is given to programs that show initiative and innovation in helping our environment.

Thanks to the Cole Kids for the six years of continued support of this worthwhile program!

Great American Cleanup is Coming!

The Great American Cleanup is coming soon. This National event starts on March 1 and runs through May 31. GAC is the largest national cleanup effort sponsored by Keep America Beautiful, Inc. KSB will have several activities during the three month period. Be sure to watch the Community Sign and www.keepstockwellbeautiful.org.

Thanks to our Flower Waterers!!!

This has been a record year for lack of rain! Thanks to the following people for helping keep our flowers growing!

Nita and Bill Hall

The Stevenson Family

Esther Forville

Marty

Donna McIver

Faith Ball

Collection Totals Since 7/10:

Recycling: 306,000

Bulky Trash: Fall collection not held

Volunteer Contributions

Volunteer Hours: Not available

Volunteers: Not available

Money Saved by Volunteers:

Not Available

Hats off to: Cole Kids and all the volunteers that made our Celebration GREAT!!!

Bulky Trash

Bulky Trash will take place on March 26-27 at Cole Elementary School. There will be a bin for NON FREON appliances. This spring we will also be taking car, truck and tractor tires. We will be LIMITED to the amount of tires that we will be able to take. There will be a small fee for tractor tires and the fee has not yet been set. As always, Bulky Trash is free to all Stockwell residents and our tire collection will also be taken for free except for tractor tires. Both these services are **First Come, First Serve**. The collection site will be open from sun up to sun down. **WE are looking for volunteers to work two hour shifts from 8-8.**

Local Student Makes National Report

Taylor Ingram must have the photogenic bug. She made the Keep America Beautiful Annual Report for the second time in our six year history! This is an honor and KSB was also mentioned in the report for the third time! We are very proud of our small town, yet big time exposure.

Hazardous Waste Removal

Wildcat Creek Solid Waste District on South 9th Street, takes hazardous waste FREE on Mondays or by appointment.

Their number is 423-2858.

Plant Exchange

Are you interested in participating in a plant exchange with our community? Seeds, plant starts and bulbs are welcome. If you think this is something you might be interested in please email Kris Ziller at krisksb@gmail.com This would be a free event!
